

Dial-up Internet Service and Pricing

ORF-ICN has established a Dial-up Remote Access Server for subcontractors and tenants of the DOE reservation. This allows dial-up access to the ettp.net network on or away from the Oak Ridge campus. The current rates are:

One Time Charges

Account Setup \$ 50

Monthly Charges

Dial-up Service \$ 15

User account includes one email address (if desired).

To request Dial-up service or other special circuits, please go to the Special Service Circuit Request Form. You may also contact a Network Engineer, at 574-8652 or Carl Metcalf, Central Office Manager, at 241-5301 to discuss your particular situation.
